### Callgirl

A call girl or female escort is a sex worker who (unlike a street walker) does not display her profession to the general public, nor does she usually work in an institution like a brothel, although she may be employed by an escort agency. The client must make an appointment, usually by calling a telephone number. Call girls often advertise their services in small ads in magazines and via the ...

a prostitute who sets up appointments over the phone. A higher-class prostitute. Usually from a middle-class background, usually more educated and has much more control over her situation than the streetwalker. She is so-named because she arranges her appointments over the telephone. Call girls are generally the most attractive of the prostitutes (and the most expensive).
