Airbus A320 Aircraft Seat Maps, Specs & Amenities

The United Airbus A320 is a very comfortable aircraft to fly in, at least in Economy Plus. For the 4 hour flight from SJC-ORD, I had plenty of space to do work, even with the seat in front of my reclined. The slimline seats were not the most comfortable, but after sitting in them for an 11 hour flight on the 787, this was no problem.

A320-family deliveries in June were 31, in May 18, April 12, March 30 and in February 40. Seems 40/month is not so bad. It effects everyone, not only suppliers, Airbus too. Bad is that covid was spreading much the last week and more restrictions might come.

COVID production rates "firm" up - Leeham News and Analysis

MIAMI - Today in Aviation marks 18 years since US Airways (US) entered its first bankruptcy protection. On August 10, 2002, the company filed for Chapter 11 but continued its operations. At the time, the airline was the first major carrier to do so after 9/11, as reported by CNN. After this tragic event, US suffered a harder financial hit due to the subsequent overall drop-off in travel demand.

Today in Aviation: US Airways Files for Chapter 11 ...

The base is the Microsoft Flight Simulator add-ons Airbus A318-319 and A320-A321 of Aerosoft. The themes were kept more generally, so that the book is applicable to other add-on products as well as general Airbus information. The book focuses at flight simulator enthusiasts, not professional pilots or those who want to become ones.
