Amazon.com: Kill Anything That Moves: The Real American ...

"Nick Turse's Kill Anything That Moves is essential reading, a powerful and moving account of the dark heart of the Vietnam War: the systematic killing of civilians, not as aberration but as standard operating procedure. Until this history is acknowledged it will be repeated, one way or another, in the wars the U.S. continues to fight."

Kill Anything That Moves (American Empire Project): Turse ...

"Kill Anything That Moves argues, persuasively and chillingly, that the mass rape, torture, mutilation and slaughter of Vietnamese civilians was not an aberration—not a one-off atrocity called My Lai—but rather the systematized policy of the American war machine. These are devastating charges, and they demand answers because Turse has framed his case with deeply researched, relentless authority...

Kill Anything That Moves: The Real American War in Vietnam ...

Kill Anything That Moves is the total fulfillment and completion of Ron Ridenhour's belief, which he took to his early grave, that My Lai was not an aberration but an operation like many another. (Ridenhour was the man who blew the whistle on My Lai -- see ridenhour.org).

Kill Anything That Moves: The Real American War in Vietnam ...

Kill Anything That Moves takes us from archives filled with Washington's long-suppressed war crime investigations to the rural Vietnamese hamlets that bore the brunt of the war; from boot camps where young American soldiers learned to hate all Vietnamese to bloodthirsty campaigns like Operation Speedy Express, in which a general obsessed with ...

Kill Anything That Moves on Apple Books

Kill Anything That Moves is not only a compendium of pervasive and illegal and sickening savagery toward Vietnamese civilians, but it is also a record of repetitive deceit and cover-ups on the part of high ranking officers and officials. In the end, I hope, Turse's book will become a hard-to-avoid, hard-to-dismiss corrective to the very common ...

Kill Anything That Moves by Nick Turse | American Empire ...

Nick Turse's "Kill Anything That Moves: The Real American War in Vietnam" is not only one of the most important books ever written about the Vietnam conflict but provides readers with an...

Kill Anything That Moves - Truthdig

Nick Turse, in his new book Kill Anything That Moves: The Real American War in Vietnam, awakens those ghosts and gives them a voice, and in the process has written one of the most important books about the American War in Vietnam. As America again makes war on an industrial scale on nations far less advanced, and commits again torture, assassinations, mass killings and keeps secret prisons while all the while trying to hide its dirty hands from the American public, that Turse's book was ...

Review: Nick Turse's Kill Anything That Moves: The Real ...

"Nick Turse's Kill Anything That Moves is essential reading, a powerful and moving account of the dark heart of the Vietnam War: the systematic killing of civilians, not as aberration but as standard operating procedure. Until this history is acknowledged it will be repeated, one way or another, in the wars the U.S. continues to fight."

Nick Turse

As Nick Turse explains in his depressingly important new book, Kill Anything That Moves, the Pentagon's public relations strategy for dealing with the issue of U.S. atrocities in South Vietnam...

Alfred W. McCoy: Review of Nick Turse's "Kill Anything ...

While recounting a punishing accumulation of atrocity stories, Kill Anything That Moves advances four relatively straightforward arguments. First, it asserts that this grim dimension of the Vietnam War was ignored at the time, has been neglected in the scholarship, and is today forgotten in popular memory.

Misrepresenting Atrocities: "Kill Anything that Moves" and ...
